JULY 2026

at

WHEATLEY SCHOOL

497 SCOTT STREET ST. CATHARINES, ON

9AM - 3 PM

JULY 6 - 10, 2026

## Montessori Mysteries & Puzzles

Mystery & Puzzle Week invites children to become curious thinkers and critical problem-solvers. Campers will explore logic games, word puzzles, and brain teasers while working together to crack clues and uncover secrets. They'll practice writing notes and messages, and learn how to think step-by-step to solve challenges.

*This week promises fun, hands-on learning that encourages focus, creativity, and confidence through discovery and learning.*

JULY 13 - 17, 2026

## Montessori Story Maker's Studio

Campers will create their own stories using hands-on materials, drawing, and early writing, developing language skills at their own pace. Through collaborative storytelling and quiet reflection, they will build confidence in expressing their ideas.

*This week nurtures creativity, focus, and a love of meaningful communication.*

## Crazy for Cursive

Our cursive craze program introduces children to the flow and beauty of written language through a Montessori approach. Using hands-on materials and guided practice, campers will develop fine motor control and learn to form letters with ease and confidence. Activities will connect reading and writing, helping children see cursive as a meaningful tool for communication.

*This week encourages concentration, independence, and pride in your child's growing skills.*
